

## BIRTHDAY PARTY REVIEWS

OCTOBER 2019- *We have had my daughter's birthday party (amazing Harry Potter theme!) here and she has participated in two plays/musicals. The staff is absolutely incredible in getting my shy-ish kid out of her shell and immersed in the play! She can't wait to try another one soon!*

SEPTEMBER 2019-*We had our daughter's 5th birthday here with the Harry Potter theme. SkyRise accommodated this theme for a slightly younger age group and we couldn't have been happier. The decorations were perfect and just enough. There were several activities (mental and physical) that kept everyone engaged and wanting more. The kids left happy with wands, gift bags, face painted and full of cake and pizza. There wasn't much more to ask for... but did I also mention that SkyRise pretty much ran and planned the entire event? As a parent, I got to sit back, take photos and enjoy the moments of my kiddo's birthday. A huge thanks to SkyRise and especially Jake who helped make the day magical.*

SEPTEMBER 2019- *I was very impressed with SkyRise Theater. We just had my daughter's 6th birthday party there for an adventure package. The place was beautifully decorated in the Frozen theme and the staff members were very engaging and kept the kids entertained. The whole process was easy and well organized.*

AUGUST 2019- *We just had my daughter's ninth birthday party at SkyRise Theater. They did a fantastic job, start to finish. The staff were friendly, helpful, and talented. Over the course of two hours, they got the children ready to perform a short show for the parents (based on "Matilda"), along with serving pizza and cake. The kids had a blast and wound up giving us all a great performance. It was the best kid's birthday party we've had.*

FEBRUARY 2019- *We had a Moana party for my daughter's 4th birthday. We chose the deluxe version and the decorations were awesome and they even put together goody bags for guests. They made it so easy for us and all the kids had a great time!*

DECEMBER 2018- *We had my daughters 4th birthday party at SkyRise. Belle was our princess and she was absolutely incredible. I was blown away by the level of professionalism all the workers showed, and how amazing they were with the kids. They were efficient, unobtrusive, and made my daughter's birthday absolutely magical. More than one mom teared up watching my daughter sing with Belle! And for what it's worth Belle never broke character, even when talking to the adults. It was so nice to be able to sit back and chat with other parents, we actually were able to enjoy ourselves too which typically doesn't happen when you host a party! The decorations, craft, music, activities and food, were all well thought out and the party flowed seamlessly. You knocked it out of the park. So thank you thank you thank you!! We will be back, no question about that!*
